

## Local 891 International Union of Operating Engineers

March 12, 2009

Dear Brothers and Sisters,

I am pleased to announce that you now have the ability to participate in the International Union of Operating Engineers Local 891 Engineers Political Education Committee ("Local 891 E.P.E.C."). You can contribute to this fund through direct payroll deductions. As a result of negotiations, the Department of Education will collect this money and transmit it directly to our Political Action Committee.

When you complete the enclosed enrollment form, you are authorizing the dollar amount you enter to be deducted from your paycheck monthly. This amount will continue to be deducted from your paycheck until:

1. You request in writing that it be discontinued.
2. You change the amount through the submission of a new form.
3. You retire or leave the membership of IUOE Local 891.

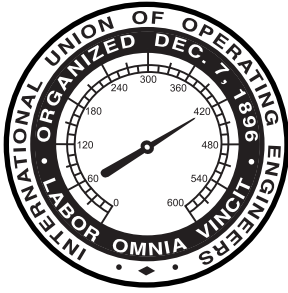

If you are currently contributing to the Local 891 C.O.P.E. through monthly credit card or electronic check payments, the submission of this form will serve as a withdrawal from that Political Action Committee and your payments to the Local 891 C.O.P.E. will cease.

You may choose to contribute any dollar amount you wish. We hope that you consider a monthly donation of ten (\$10) to fifteen (\$15) dollars. It is vitally important that you join the Local 891 E.P.E.C. This Political Action Committee will better enable us to protect the political interests of our members.

If you have questions, please call the Treasurer of Local 891 EPEC at 718.455.9731 ext-280 or the Chairperson of Local 891 E.P.E.C. at 718.455.9731 ext- 252.

Fraternally,

Robert J. Troeller  
Business Manager/President
